

**NORTHERN SUBURBS BASKETBALL ASSOCIATION  
2009 SENIOR REP COACHING EXPRESSION OF INTEREST**

Norths Bears are committed to providing a quality experience to our senior representative players and to assist individuals and teams enjoy the game and achieve to the best of their ability. The 2008 season saw the mighty Bears enter 5 teams into senior competitions ranging from youth league to Waratah.

The cornerstone of any successful programme is the appointment and development of quality coaches and associated team staff. To assist planning for next session, we are calling for Expressions of Interest from those wishing to participate in our Senior Representative Programme for season 2009 as Head Coaches, Assistant Coaches and Managers.

We welcome all prospective coaches who enjoy working with motivated athletes, who can create an enjoyable team environment, and have experienced success with basketball teams at a range of levels, to apply.

Expressions of Interest will be evaluated by the Association and interviews will be undertaken with Applicants. Following selection of the Head Coaches by Norths management, and ratification by the NSBA Board, the Assistant Coaches will then be selected by the Association in consultation with the relevant Head Coach.

Coaches will need to have, or be working towards, a NCAS Level 1 Basketball coaches qualification. Norths will run an NCAS L1 course before year end. Through season 2009, the Association also intends to assist Coaches to acquire new knowledge and skills with opportunities to attend coach development sessions and seminars.

Coaches will be expected to work under the Association's guidelines and programme management and clearly understand that they are the public image of the association and therefore have to behave with all the necessary decorum as is expected of such a visible position.
