

# SPORTS MEDICINE AWARENESS COURSE

## Parents, Supporters & Players

The Australian Country Junior Basketball Cup National Basketball Championships are conducted on a development in all areas basis or their respective games. As such an opportunity exists for parents, players and supporters attending the ACJBC to receive instruction in a general sports injury prevention and awareness course.

The Course will be held at the Albury Sports Stadium on **Tuesday 15<sup>th</sup> January from 7.00-10.00pm.**

## Sports Medicine Awareness Course

NAME .....

ADDRESS: .....

..... POST CODE .....

EMAIL: .....

STATE: ..... ASSOCIATION: .....

PHONE: HOME: ..... MOBILE ..... FAX .....

DISABILITIES/MEDICATION: ..... AGE: .....

The course is run in conjunction with Sports Medicine Australia and is designed for all those interested in furthering their sports related education. This includes coaches, parents and sports administrators. The course aims to inform participants as to the prevention of injury, as well as initial safe and effective treatment of injuries sustained on the sports field.
