### **Camp Head Coaches**

### **Expression of Interest**

Basketball New South Wales is seeking expressions of interest from interested coaches for the positions of Age Group Head Coaches (boys & girls) for the two Waratah Under 14 & 15 Metropolitan Regional Camps on April 20.

The Camp Head Coaches would lead the delivery of the technical content for the camps and liaise with support coaches in the player identification process.

To ensure as many athletes have the opportunity to attend the camps, BNSW will be conducting camps in Bankstown and Hills to ensure they are accessible to as many players as possible.

Camp Head Coaches will be appointed to the boys and girls camps at both venues and we are looking for suitably qualified coaches to express interest in being considered for these important roles.

Interested coaches are asked to complete the attached form and return it to Basketball New South Wales prior to Monday, March 3, 2008.

Completed Expression of Interest for these voluntary positions should be returned to:
