

# Basketball NSW Notifies Grant Funding Opportunity for BNSW Member Associations

## NSW Sport & Recreation Facility Grant Program

Basketball NSW would like to bring to the attention of our member associations that the NSW Department of Sport and Recreation are focusing on assisting with the funding for the development of local and regional level sport and recreation facilities.

The aim of the Sport and Recreation Facility Grant Program is to increase the availability, standard and quality of sport and recreation facilities in NSW.

It's very easy to register your application. All you have to do is visit the NSW Department of Sport and Recreation website, by clicking on this link-

The link for the Sport and Recreation Facility Grant Program will provide you with guidelines and a sample application form to assist you during the application process.

The grant amounts available will range from \$500 - \$200,000. Please note that the grant amount requested cannot be more than 50 percent of the project cost. Organisational contribution can include voluntary labour. It is expected that the applicant will cover any administration costs incurred with the project.

Online applications will open shortly. Please refer to link provided above for eventual starting and closing dates.
