## Ticket Order Form

Dear participating BNSW member

This fundraising initiative has proven over several years to be a successful means of raising funds for BNSW associations / teams / members. These projects are NOT specific fundraisers for Rotary but are organised by Rotary to assist community groups to raise funds for themselves.

The opportunity is just too good to miss out on. Basketball NSW made all the arrangements so that there is less work for you towards attaining your fundraising goals. Rotarian Walter Bock has again agreed to coordinate the project for BNSW, please return this form directly to him. You'll be amazed how simple it is and with no up front costs you will be on your way to achieving your target more quickly.

**Tickets are supplied free to you.**  
**Great prizes – often a new car for first prize!**  
**For each \$2.00 ticket sold, your team / club keeps \$1.00 and returns \$1.00 to the Rotary Club**
