

SAVE OVER 50% OFF PREPAID MOBILE CALL COSTS

It's easy – Just a few minutes on the web!

BNSW has reached an agreement with leading national mobile phone service provider **SAVVYTEL** to provide special discounts to all those signing up through the BNSW website. **SAVVYTEL** is an established low cost prepaid mobile phone service provider offering rates generally less than half the rates of major service providers.

The huge savings **SAVVYTEL** customers enjoy in comparison to the major providers are readily apparent in the following **SAVVYTEL** pricing chart (Rates are per 30 sec).

SMS ANYTIME ANYWHERE LOCAL & INTERNATIONAL 15c	PROVIDER	RATE	FLAGFALL	SMS
	SavvyTel	12c	20c	15c
	Telstra	38.5c	25c	25c
	Optus	39c	27c	25c
	Vodafone	30c	20c	25c

SAVVYTEL offers a true prepaid service where credits never expire and recharges need be made only on an as needed basis, in contrast to some providers whose credits expire on a one monthly, three monthly or six monthly basis, therefore requiring regular recharges.

Not only are **SAVVYTEL** rates very low, providing major savings over the three major service providers, but those registering with **SAVVYTEL** through the BNSW Website receive an extra 20% discount off their **SAVVYTEL** starter kit. Recharging is easy, either by phone, internet or through thousands of retail outlets. You may also purchase your phone online through the **SAVVYTEL** website.

Not only are you saving heaps off your phone costs, but this special package helps **SAVVYTEL** provide support for BNSW in its efforts to improve the basketball programs and services it delivers to its NSW members.

For more information on this great deal, or to register for this low cost mobile phone service just click on the link below or on the front page of the BNSW website.
