PRESS RELEASE

15th July 2008

WNBL BACK LIVE ON ABC

After initially announcing that they were going to abandon live coverage of the WNBL on Friday nights on ABC2 the ABC has now reversed its position. The reversal comes up after strong lobbying by Basketball Australia and a public outcry from supporters of the WNBL.

The ABC will broadcast live matches on Friday night on ABC2 and a highlights package on Saturday afternoons on ABC1. The Saturday afternoon games are likely to be broadcast between 2.30- 4pm.

Basketball Australia CEO Scott Derwin released a statement thanking those people who assisted in publicising the issue and lobbying ABC.
