

******Draw Updated 03/06/08 now to include remaining games for 16W2/3 and 14M3/4 divisions. Please contact your Association for further details******

To SJC Association / Coach / Player,

Please find attached the Draw for the 2008 Sydney Junior Championship Season.

You will notice a few discrepancies on the draw, which I have outlined below.

- ★ Games that are highlighted in **Pink** are games where the Association has been unable to inform Basketball NSW of the home game times.
This will be updated next week also, as soon as the times have been forwarded onto BNSW
- ★ Games that have **TBA** listed as Venue are where the Associations are yet to finalise the venue.
These will also be updated ASAP.
- ★ Games that are **yellow** are double point games
- ★ Round with 'CV' next to the Round Number eg. 'CV13' are a Central Venue Round

Please be aware that changes are still constantly occurring and that the Draw can change at any time until it has been officially finalised.

Any changes that take place as of the 14th of March, will be written in **Blue Bold**.

If a late change is made (during week prior to game) changes will be written in **Red Bold**.

Any questions or problems, please contact your Association

Thanks,
